Comic-Con is wrapping up, which has the crew of OLR thinking about not just some of the big announcements in nerd culture from the show, but some of our favorite games based on comic books, from the mainstream to the obscure. Pokemon Go continues to dominate gaming news, and that certainly seems reflected in our show tonight. That doesn't stop us from talking about other gaming topics as well though, including news on what's next for the Sonic the Hedgehog franchise.

Also in the news:

- * Ubisoft comments on NX

- * New Mega Man for Wii U/3DS ?

- * Pacman Championship Edition 2

- * Rock Band Rivals

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
