With the release of No Man's Sky this week, our hosts have some opinions on the game and the time they have spent with it so far. Did this game live up to expectations? Or did it become something that was even outside our expectations altogether? We discuss with our live chatters and a phone caller who spent time with the game as well. Our friend Mike joins us in studio this week to talk about this story and more!

Also in the News:

* Final Fantasy 15 rumored delay

* Pokemon Uranium shut down

* Rio 2016 eGames Showcase

* Riot Games suing cheat program for League of Legends

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
