The Nintendo Switch is finally revealed, and our hosts take some time at the top of the show to talk about the three and a half minute trailer that answered lots of our questions-- and created new ones. Our LIVE participants have their say as well.

Also joining us on the show tonight is Paul from Oh, a Rock! Studios to talk about the game Cat President, which caught the attention of our audience thanks to a very old OLR in joke. Paul talks about Cat President, and other games he's created in the past, and in the future!

Also in the News:

- * Voice Actors Strike

- * Diablo 4

- * Red Dead Redemption 2 Trailer

- * Doom Arcade Mode

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
