Blizzcon was this weekend - and there were some surprising things announced- and some surprising things NOT announced too. We share our thoughts on the event, then dive into the news for the week which includes a rumor about WiiU production shutting down. Although Nintendo denys the rumor, how long will Nintendo REALLY want to keep selling WiiU's anyway? We discuss along with our live listeners.

Also in the News:

* Animal Crossing: New Leaf big patch

* PS4 Pro Launch Lineup

* Bastion Remaster on Xbox One

* Pokemon Go Bonuses
