The details on the Nintendo Switch have officially been unveiled, and give us some huge news to start off our first show of 2017 with. Where do the hosts stand on their feelings with the Switch after the announcements? Did we pre-order, or are we passing for now? We share our thoughts along with our live listeners at VOGNetwork. There was plenty of gaming news besides just what Nintendo had to say, however, as one highly anticipated new IP for the Xbox One got officially canceled this past week. Are we bummed out about it, or did we see it coming? All this and MORE on our first live show of 2017!

Also in the News:

- * Mass Effect Andromeda Details

- * Classic NES Mini hacked to add more games

- * Windows 10 gaming mode

- * TwitchCon returning in October

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
