We start off this weeks episode with a little positivity, talking about video game moments that we love. What were the moments that made our hosts know they were a gamer? We also take input from our live chatroom at VOGNetwork. Then we get into the news about a "leaked" Nintendo Switch, but LOKI thinks there is something about the story that just doesn't add up. Will Nintendo ever come out and answer some of our questions about the switch with just days to go until launch?

Also in the news:

- * Fallout and Skyrim mod updates
- * Final Fantasy XIV Switch potential
- * Zelda Breath of the Wild to have DLC Season Pass
- * Pokemon Gen 2 comes to Pokemon Go!

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
