Microsoft announced that they will be integrating Xbox activity into Discord. It seems like Discord has come a long way in a short amount of time with gamers, and we spend some time talking about the various chat apps that are available out there and how they have changed the way we play games online. Also, LOKI picked up a Nintendo Switch this week, and we talk to him a bit about his experiences with the system so far.

Also in the News:

* Nintendo gets a new President

* Controller Sharing to come to Mixer

* More Mario Odyssey costumes datamined

* E3 Press Conference Schedule

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
