

A service most known for it's game streaming brings us more pop/nerd culture streaming with Twitch beginning a Doctor Who marathon this coming week! Could game streaming and these adjacent events be slowly taking over basic cable? We discuss with our live participants. We also discuss the news of the gaming week, and talk about games we have been playing this week such as Bloodstained: Curse of the Moon and Hyrule Warriors: Definitive Edition.

Also in the news:

- * Apple blocks Steam link app
- * BASIC programming app coming to Switch
- * New Japanese Switch bundle with no dock
- * The Final Fantasy Tactics sequel that never was

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
