

Our live show goes up against the Oscars, which is a coincidence of sorts when we start our show off talking about movies being sold on Steam, and how Valve plans to phase that out. It is an interesting parallel where music and movie industries have found themselves recently, and where the gaming industry could find itself in the not too distant future. If big rumors from companies like Microsoft and Nintendo are to be believed, it could be the start of a whole new era of gaming.

Also in the News:

\* Google getting into Gaming?

\* Reggie Fis-Aime Retiring

\* Dreams Early Access

\* Pokemon Go to let you team swap

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)

## Orange Lounge Radio Episode 765 - 2/24/19
