We are in separate studios tonight due to social distancing, but the show goes on with the latest news in the gaming world including controversial decisions by Gamestop this past week about their "essential" business status. Could this be a permanently damaging move by the company? We discuss this as well as other gaming news of the week which include the first tech details on the Playstation 5!

Also in the news:

- * Nintendo Indie World Showcase
- * Animal Crossing Superfan in new game
- * "Mario" pulled from Dreams
- * Valve's Artifact getting a rumored reboot

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
