A hugely important video game, The Legend of Zelda, turns 35 years old this week, as the release of the original Famicom game celebrates it's birthday the night of our show. Zelda news was a big part of this week's Nintendo Direct as well, and we recap the news from the Nintendo Direct, as well as Blizzconline, another big virtual event that took place in gaming this week.

Also in the news:

- * Xbox Framerate Improvements
- * Silent Hill Creator Returning to Horror
- * Dinosaur Planet Leaks Online
- * No Man's Sky Gets Another Update for Companions

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
