

Tokyo Game Show was this last week, and as expected, a lot of game news came out of the industry this week, especially when you consider there was no official E3 this year. However, one big piece of news broke Sunday that really turned heads, and that was the leaking of major details, videos, and even source code of the upcoming game Grand Theft Auto VI. How damaging will this be to Take Two? How might this have happened? We discuss this, and of course much more in gaming news on another week of the longest running video game podcast, Orange Lounge Radio!

Also in the News:

- * Street Fighter 6 Launch Day Roster & Details

- * Sims 4 going Free

- * (Yakuza) Like a Dragon 8 Announced

- * Suikoden HD Remaster

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
