

The news slows down a little bit for this week leading into Halloween and some more major video game releases (with Bayonetta 3 having released this past week). However there are still some big headlines, including the fact that Microsoft/Xbox may soon be joining the \$70 price tag club. It certainly seems imminent (well, in 2023 anyway) some of the subscription fees may go up, so we discuss ideas how to get savings on subscriptions now. How much do subscriptions really make up the revenue at Microsoft though? We discuss this and more on another week of the longest running video game podcast, Orange Lounge Radio!

Also in the News:
